

"JINGLE BELLS" ~ Mary Margaret-style

Verse One:

This is what I want
For Christmas time this year
A rock music CD
So Liza I won't hear.
A puppy of my own
Please don't forget the bone
A Breyer horse and barn of course
And ship them to my home.

Verse 2

This is what I want
For Christmas time this year
I know I've changed my mind
But Santa, listen here!
I want people to know
I sometimes do stuff wrong
But I would never steal
I know where things belong!

The chorus:

Oh, I've set the table
When I was able
Been nice to Jolene
Cheered JT
Cleaned up pee
Never acted me-ean.
I make my bed
See Hershey's fed
Make sure I'm not bored
I never curse, I could be worse
And that's worth a reward!

Verse 3

And then there's mom and dad
Not acting like themselves
You need to make them stop
And hear those Christmas bells
I don't need peace on earth
That's way too much to ask
Just some peace at home
Please get to that one *fast!*
